

Weston Volunteer Youth Coaching Contract

I wish to volunteer in the Weston Youth League program (which is part of the Southwood League organization) as a youth coach. I hereby recognize that youth volunteer coaches serve a vital need in helping provide positive recreation activities for youth. Further, I understand that serving as a volunteer coach, I will be a positive role model setting examples for the youth I am coaching, and will strive to uphold a high set of ideals and standards in regards to sportsmanship and fair play for the kids in which I am coaching. I agree to abide by all rules and procedures set forth by the league and/or organization, including:

- Not using, or being under the influence of drugs and alcohol or using tobacco products while being associated with this program, including games, practices and meetings.
- Not using profanity, obscene gestures or comments, or abusive language to players, parents, officials, league administrators or any other persons associated with this program. This includes any slandering, mean mouthing or disrespecting any of my fellow coaches, league officials, league officers or the organization as a whole. Southwood and the league has a ZERO TOLERANCE for profanity and teams may be subject to forfeit as well as coach suspension.
- Striving to always be positive towards my players and treating each player fairly, realizing that each player has the right to have fun.
- Stressing the importance of sportsmanship and fair play while teaching skill development and teamwork. Wanting to win is OK, but not at the expense of the ideals and fundamentals of the game.
- Ohio Law and Southwood requires a concussion course completed with a printed certificate on file with the town president, training is good for 3 years.
